MISSION STATEMENT

It is the mission of the Southeastern Oakland County Water Authority to continually serve our customers with adequate volume and sufficient pressure for fire protection with emphasis on delivering high quality potable water, all at a cost that is reasonable and competitive.

To accomplish our mission, we must strive to uphold the following objectives:

- Maintain adequate volumetric water supply.
- Maintain adequate pressure for fire protection and other public safety uses.
- Maintain water quality, with emphasis on producing potable water.
- Serve critical customers.
- Maintain reasonable costs for member communities.
