Consistent with Public Act 563 of 2014 amending the Michigan Freedom of Information Act (FOIA), the following is the Written Public Summary of the Southeastern Oakland County Water Authority (“SOCWA”) FOIA Procedures and Guidelines relevant to the general public.

1. How do I submit a FOIA request to SOCWA?
   - Requests to inspect or obtain copies of public records prepared, owned, used, possessed or retained by SOCWA must be submitted in writing.
   - A request must sufficiently describe a public record so as to enable SOCWA to find it.
   - No specific form to submit a written request is required. However, a FOIA Request form for your use and convenience is available on SOCWA website at www.socwa.org.
   - Written requests can be made in person by delivery to any SOCWA office in person or by mail.
   - Requests can also be made by facsimile by dialing (248) 435-0310.
   - A request may also be submitted by e-mail. To ensure a prompt response, e-mail requests should contain the term "FOIA" or "FOIA Request" in the subject line and be sent to jmckeen@socwa.org.

   Note: If you are serving a sentence of imprisonment in a local, state or federal correctional facility you are not entitled to submit a request for a public record.

2. What kind of response can I expect to my request?
   - Within 5 business days of receipt of a FOIA request SOCWA will issue a response. If a request is received by facsimile or e-mail the request is deemed to have been received on the following business day. SOCWA will respond to your request in one of the following ways:
     - Grant the request.
     - Issue a written notice denying the request.
     - Grant the request in part and issue a written notice denying in part the request.
     - Issue a notice indicating that due to the nature of the request SOCWA needs an additional 10 business days to respond.
     - Issue a written notice indicating that the public record requested is available at no charge on SOCWA website.
   - If the request is granted, or granted in part, SOCWA will ask that payment be made for the allowable fees associated with responding to the request before the public record is made available. If the cost of processing the request is expected to exceed $50, or if you have not paid for a previously granted request, SOCWA will require a deposit before processing the request.

3. What are SOCWA fee deposit requirements?
   - If SOCWA has made a good faith calculation that the total fee for processing the request exceeds $50.00, SOCWA will require that you provide a deposit in the amount of 50% of the total estimated fee. When SOCWA requests the deposit it will provide you a non-binding best efforts estimate of how long it will take to process the request following receipt by SOCWA of your deposit.
If SOCWA receives a request from a person who has not paid SOCWA for copies of public records made in fulfillment of a previously granted written request, SOCWA will require a deposit of 100% of the estimated processing fee before it begins to search for the public record for any subsequent written request when all of the following conditions exist:

- the final fee for the prior written request is not more than 105% of the estimated fee;
- the public records made available contained the information sought in the prior written request and remain in SOCWA possession;
- the public records were made available to the individual, subject to payment, within the time frame estimated by SOCWA to provide the records;
- 90 days have passed since SOCWA notified the individual in writing that the public records were available for pickup or mailing;
- the individual is unable to show proof of prior payment to SOCWA; and
- SOCWA has calculated an estimated detailed itemization that is the basis for the current written request’s increased fee deposit.

SOCWA will not require the 100% estimated fee deposit if any of the following apply:

- the person making the request is able to show proof of prior payment in full to SOCWA;
- SOCWA is subsequently paid in full for all applicable prior written requests; or
- 365 days have passed since the person made the request for which full payment was not remitted to SOCWA.

4. How does SOCWA calculate FOIA processing fees?

A fee will not be charged for the cost of search, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to SOCWA because of the nature of the request in the particular instance, and SOCWA specifically identifies the nature of the unreasonably high costs.

The Michigan FOIA statute permits SOCWA to assess and collect a fee for six designated processing components. SOCWA may charge for the following costs associated with processing a request:

- Labor costs associated with searching for, locating and examining a requested public record.
- Labor costs associated with a review of a record to separate and delete information exempt from disclosure of information which is disclosed.
- The cost of computer discs, computer tapes or other digital or similar media when the requester asks for records in non-paper physical media.
- The cost of duplication or publication, not including labor, of paper copies of public records.
- Labor costs associated with duplication or publication, which includes making paper copies, making digital copies, or transferring digital public records to non-paper physical media or through the Internet.
- The cost to mail or send a public record to a requestor.
o Labor Costs
  • All labor costs will be estimated and charged in 15 minute increments with all partial time increments rounded down.
  • Labor costs will be charged at the hourly wage of the lowest-paid SOCWA employee capable of doing the work in the specific fee category, regardless of who actually performs work.
  • Labor costs will also include a charge to cover or partially cover the cost of fringe benefits.

o Non-paper Physical Media
  • The cost for records provided on non-paper physical media, such as computer discs, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
  • This cost will only be assessed if SOCWA has the technological capability necessary to provide the public record in the requested non-paper physical media format.

o Paper Copies
  • Paper copies of public records made on standard letter (8 ½ x 11) or legal (8 ½ x 14) sized paper will not exceed $0.10 per sheet of paper. Copies for non-standard sized sheets will paper will reflect the actual cost of reproduction.
  • SOCWA may provide records using double-sided printing, if cost-saving and available.

o Mailing Costs
  • The cost to mail public records will use a reasonably economical and justified means.
  • SOCWA may charge for the least expensive form of postal delivery confirmation.
  • No cost will be made for expedited shipping or insurance unless requested.

5. How do I qualify for a reduction of the processing fees?

  o SOCWA may waive or reduce the fee associated with a request when SOCWA determines that to do so is in the public interest because release of the information is considered as primarily benefitting the general public.

  o SOCWA will waive the first $20.00 of the processing fee for a request if you submit an affidavit stating that you are:
    • indigent and receiving specific public assistance; or
    • if not receiving public assistance, stating facts demonstrating an inability to pay because of indigency.

  o You are not eligible to receive the $20.00 waiver if you:
    • have previously received discounted copies of public records from SOCWA twice during the calendar year; or
    • are requesting information on behalf of other persons who are offering or providing payment to you to make the request.
An affidavit is sworn statement. For your convenience SOCWA has provided an Affidavit of Indigency form for the waiver of FOIA fees on its website.

SOCWA will waive the fee for an nonprofit organization which meets all of the following conditions:

- the organization is designated by the State under federal law to carry out activities under the Developmental Disabilities Assistance and Bill of Rights Act of 2000 and the Protection and Advocacy for Individuals with Mental Illness Act;
- the request is made directly on behalf of the organization or its clients;
- the request is made for a reason wholly consistent with the provisions of federal law under Section 931 of the Mental Health Code; and
- the request is accompanied by documentation of the organization’s designation by the State

6. How may I challenge the denial of a public record or an excessive fee?

- Appeal of a Denial of a Public Record
  If you believe that all or a portion of a public record has not been disclosed or has been improperly exempted from disclosure, you may file an appeal of the denial with the SOCWA Board. The appeal must be in writing, specifically state the word "appeal" and identify the reason or reasons you are seeking a reversal of the denial.

  Within 10 business days of receiving the appeal the SOCWA Board will respond in writing by:
  - reversing the disclosure denial;
  - upholding the disclosure denial; or
  - reverse the disclosure denial in part and uphold the disclosure denial in part.

  Whether or not you submitted an appeal of a denial to the SOCWA Board, you may file a civil action in the Oakland County Circuit Court within 180 days after SOCWA final determination to deny your request. Should you prevail in the civil action the court will award you reasonable attorneys’ fees, costs and disbursements. If the court determines that SOCWA acted arbitrarily and capriciously in refusing to disclose or provide a public record, the court shall award you damages in the amount of $1000.00

- Appeal of an Excessive FOIA Processing Fee
  If you believe that the fee charged by SOCWA to process your FOIA request exceeds the amount permitted by state law, you must first submit a written appeal for a fee reduction to the SOCWA Board. The appeal must be in writing, specifically state the word "appeal" and identify how the required fee exceeds the amount permitted.

  Within 10 business days after receiving the appeal, the SOCWA Board will respond in writing by:
  - waiving the fee;
  - reducing the fee and issue a written determination indicating the specific basis that supports the remaining fee;
  - upholding the fee and issue a written determination indicating the specific basis that supports the required fee; or
• issuing a notice detailing the reason or reasons for extending for not more than 10 business days the period during which the SOCWA Board will respond to the written appeal.

Within 45 days after receiving notice of the SOCWA Board’s determination of the processing fee appeal, you may commence a civil action in the Oakland County Circuit Court for a fee reduction. If you prevail in the civil action by receiving a reduction of 50% or more of the total fee, the court may award all or appropriate amount of reasonable attorneys’ fees, costs and disbursements. If the court determines that SOCWA acted arbitrarily and capriciously by charging an excessive fee, court may also award you punitive damages in the amount of $500.00.

This is only a summary of SOCWA’s FOIA Procedures and Guidelines. For more details and information, copies of SOCWA FOIA Procedures and Guidelines are available at no charge at any SOCWA office and on SOCWA website, www.socwa.org
Preamble: Statement of Principles

It is the policy of SOCWA that all persons, consistent with the Michigan Freedom of Information Act (FOIA), are entitled to full and complete information regarding the affairs of government and the official acts of those who represent them as public officials and employees. The people shall be informed so that they fully participate in the democratic process.

SOCWA’s policy with respect to FOIA requests is to comply with State law in all respects and to respond to FOIA requests in a consistent, fair, and even-handed manner regardless of who makes such a request.

SOCWA acknowledges that it has a legal obligation to disclose all nonexempt public records in its possession pursuant to a FOIA request. SOCWA acknowledges that sometimes it is necessary to invoke the exemptions identified under FOIA in order to ensure the effective operation of government and to protect the privacy of individuals.

SOCWA will protect the public's interest in disclosure, while balancing the requirement to withhold or redact portions of certain records. SOCWA’s policy is to disclose public records consistent with and in compliance with State law.

Section 1: General Policies

The SOCWA Board acting pursuant to the authority at MCL 15.236 designates Jeff McKeen as the FOIA Coordinator. He or she is authorized designate other SOCWA staff to act on his or her behalf to accept and process written requests for SOCWA’s public records and approve denials.

If a request for a public record is received by facsimile or e-mail, the request is deemed to have been received on the following business day. If a request is sent by e-mail and delivered to a SOCWA spam or junk-mail folder, the request is not deemed received until one day after the FOIA Coordinator first becomes aware of the request. The FOIA Coordinator shall note in the FOIA log both the date the request was delivered to the spam or junk-mail folder and the date the FOIA Coordinator became aware of the request.
The FOIA Coordinator shall review SOCWA spam and junk-mail folders on a regular basis, which shall be no less than once a month. The FOIA Coordinator shall work with SOCWA Information Technology staff to develop administrative rules for handling spam and junk-mail so as to protect SOCWA systems from computer attacks which may be imbedded in an electronic FOIA request.

The FOIA Coordinator may, in his or her discretion, implement administrative rules, consistent with State law and these Procedures and Guidelines to administer the acceptance and processing of FOIA requests.

SOCWA is not obligated to create a new public record or make a compilation or summary of information which does not already exist. Neither the FOIA Coordinator nor other SOCWA staff are obligated to provide answers to questions contained in requests for public records or regarding the content of the records themselves.

The FOIA Coordinator shall keep a copy of all written requests for public records received by SOCWA on file for a period of at least one year.

Section 2: Requesting a Public Record

A person requesting to inspect or obtain copies of public records prepared, owned, used, possessed or retained by SOCWA must do so in writing. The request must sufficiently describe a public record so as to enable SOCWA personnel to identify and find the requested public record.

No specific form to submit a request for a public record is required. However the FOIA Coordinator may make available a FOIA Request Form for use by the public.

Written requests for public records may be submitted in person or by mail to any SOCWA office. Requests may also be submitted electronically by facsimile and e-mail. Upon their receipt, requests for public records shall be promptly forwarded to the FOIA Coordinator for processing.

A person may request that public records be provided on non-paper physical media, electronically mailed or other otherwise provided to him or her in lieu of paper copies. SOCWA will comply with the request only if it possesses the necessary technological capability to provide records in the requested non-paper physical media format.
A person may subscribe to future issues of public records that are created, issued or disseminated by SOCWA on a regular basis. A subscription is valid for up to 6 months and may be renewed by the subscriber.

A person who makes a verbal, non-written request for information believed to be available on SOCWA website, where practicable and to the best ability of the employee receiving the request, shall be informed of the pertinent website address.

A person serving a sentence of imprisonment in a local, state or federal correctional facility is not entitled to submit a request for a public record. The FOIA Coordinator will deny all such requests.

Section 3: Processing a Request

Unless otherwise agreed to in writing by the person making the request, within 5 business days of receipt of a FOIA request SOCWA will issue a response. If a request is received by facsimile, e-mail or other electronic transmission, the request is deemed to have been received on the following business day. SOCWA will respond to the request in one of the following ways:

- Grant the request.
- Issue a written notice denying the request.
- Grant the request in part and issue a written notice denying in part the request.
- Issue a notice indicating that due to the nature of the request SOCWA needs an additional 10 business days to respond. Only one such extension is permitted.
- Issue a written notice indicating that the public record requested is available at no charge on SOCWA’s website.

If the request is granted, or granted in part, the FOIA Coordinator will require that payment be made in full for the allowable fees associated with responding to the request before the public record is made available. The FOIA Coordinator shall provide a detailed itemization of the allowable costs incurred to process the request to the person making the request. A copy of these Procedures and Guidelines shall be provided to the requestor with the response to a written request for public records, provided however, that if these Procedures and Guidelines, and its Written Public Summary are maintained on SOCWA’s website, then a website link to those documents may be provided in lieu of providing paper copies.
If the cost of processing a FOIA request is $50 or less, the requester will be notified of the amount due and where the documents can be obtained.

If based on a good faith calculation by SOCWA, the cost of processing a FOIA request is expected to exceed $50, or if the requestor has not fully paid for a previously granted request, SOCWA will require a good-faith deposit before processing the request. In making the request for a good-faith deposit the FOIA Coordinator shall provide the requestor with a detailed itemization of the allowable costs estimated to be incurred by SOCWA to process the request and also provide a best efforts estimate of a time frame it will take the SOCWA to provide the records to the requestor. The best efforts estimate shall be nonbinding on SOCWA, but will be made in good faith and will strive to be reasonably accurate, given the nature of the request in the particular instance, so as to provide the requested records in a manner based on the public policy expressed by Section 1 of the FOIA.

If the request is denied or denied in part, the FOIA Coordinator will issue a written Notice of Denial which shall provide in the applicable circumstance:

- An explanation as to why a requested public record is exempt from disclosure; or
- A certificate that the requested record does not exist under the name or description provided by the requestor, or another name reasonably known by SOCWA; or
- An explanation or description of the public record or information within a public record that is separated or deleted from the public record; and
- An explanation of the person’s right to submit a written appeal of the denial which states “appeal” and states the reason for the reversal of the disclosure denial to the SOCWA Board or seek judicial review in the Oakland County Circuit Court; and
- An explanation of the right to receive attorneys’ fees, costs, and disbursements as well actual or compensatory damages, and punitive damages of $1,000, should they prevail in Circuit Court.
- The Notice of Denial shall be signed by the FOIA Coordinator.

If a request does not sufficiently describe a public record, the FOIA Coordinator may, in lieu of issuing a Notice of Denial indicating that the request is deficient, seek clarification or amendment of the request by the person making the request.
Any clarification or amendment will be considered a new request subject to the timelines described in this Section.

**SOCWA** shall provide reasonable facilities and opportunities for persons to examine and inspect public records during normal business hours. The FOIA Coordinator is authorized to promulgate rules regulating the manner in which records may be viewed so as to protect **SOCWA** records from loss, alteration, mutilation or destruction and to prevent excessive interference with normal **SOCWA** operations.

The FOIA Coordinator shall, upon written request, furnish a certified copy of a public record at no additional cost to the person requesting the public record.

**Section 4: Fee Deposits**

If the fee estimate is expected to exceed $50.00 based on a good-faith calculation by **SOCWA**, the requestor will be asked to provide a deposit not exceeding one half of the total estimated fee.

If a request for public records is from a person who has not fully paid **SOCWA** for copies of public records made in fulfillment of a previously granted written request, the FOIA Coordinator will require a deposit of 100% of the estimated processing fee before beginning to search for a public record for any subsequent written request by that person when all of the following conditions exist:

- The final fee for the prior written request is not more than 105% of the estimated fee;
- The public records made available contained the information sought in the prior written request and remain in **SOCWA** possession;
- The public records were made available to the individual, subject to payment, within the time frame estimated by **SOCWA** to provide the records;
- 90 days have passed since the FOIA Coordinator notified the individual in writing that the public records were available for pickup or mailing;
- The individual is unable to show proof of prior payment to **SOCWA**; and
• The FOIA Coordinator has calculated a detailed itemization that is the basis for the current written request’s increased estimated fee deposit.

The FOIA Coordinator will not require an increased estimated fee deposit if any of the following apply:

• The person making the request is able to show proof of prior payment in full to SOCWA;
• SOCWA is subsequently paid in full for the applicable prior written request; or
• 365 days have passed since the person made the request for which full payment was not remitted to SOCWA.

Section 5: Calculation of Fees

A fee will not be charged for the cost of search, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to SOCWA because of the nature of the request in the particular instance, and SOCWA specifically identifies the nature of the unreasonably high costs.

The following factors shall be used to determine an unreasonably high cost to SOCWA:

• The particular request incurs costs greater than incurred from the typical or usual request received by SOCWA. See Bloch v Davison Community Schools, 2011 Mich App Lexis 771, 2011 WL 1564645
• Volume of the public record requested
• Amount of time spent to search for, examine, review and separate exempt from non-exempt information in the record requested.
• Whether public records from more than one SOCWA department or various SOCWA offices is necessary to respond to the request.
• The available staffing to respond to the request.
• Any other similar factors identified by the FOIA Coordinator in responding to the particular request.
SOCWA may charge for the following costs associated with processing a FOIA request:

- Labor costs directly associated with searching for, locating and examining a requested public record.
- Labor costs associated with a review of a record to separate and delete information exempt from disclosure of information which is disclosed.
- The actual cost of computer discs, computer tapes or other digital or similar media.
- The cost of duplication of publication, not including labor, of paper copies of public records.
- The cost of labor associated with duplication or publication, including making paper copies, making digital copies or transferring digital public records to non-paper physical media or through the Internet or other electronic means.
- The actual cost of mailing or sending a public record.

Labor costs will be calculated based on the following requirements:

- All labor costs will be estimated and charged in 15 minute increments with all partial time increments rounded down1.
- Labor costs will be charged at the hourly wage of the lowest-paid SOCWA employee capable of doing the work in the specific fee category, regardless of who actually performs work.2
- Labor costs will also include a charge to cover or partially cover the cost of fringe benefits. SOCWA may add up to 50% to the applicable labor charge amount to cover or partially cover the cost of fringe benefits, but in no case may it exceed the actual cost of fringe benefits.

---

1 The cost of labor directly associated with duplication, publication or transferring records to nonpaper physical media can be charged in time increments of the public body’s choosing with all partial increments rounded down.

2 If using contract or outside labor to separate and delete exempt material from non-exempt material, the public body must clearly note the name of person or firm who does the work and the total labor cost may not exceed an amount 6 times the state minimum hourly wage, which is currently $8.15.
• Overtime wages will not be included in labor costs until agreed to by the requestor; overtime costs will not be used to calculate the fringe benefit cost.

The cost to provide records on non-paper physical media when so requested will be based on the following requirements:

• Computer disks, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
• This cost will only be assessed if SOCWA has the technological capability necessary to provide the public record in the requested non-paper physical media format.
• In order to ensure the integrity and security of SOCWA technological infrastructure, SOCWA will procure any requested non-paper media and will not accept non-paper media from the requestor

The cost to provide paper copies of records will be based on the following requirements:

• Paper copies of public records made on standard letter (8 ½ x 11) or legal (8 ½ x 14) sized paper will not exceed $.10 per sheet of paper. Copies for non-standard sized sheets of paper will reflect the actual cost of reproduction.
• SOCWA may provide records using double-sided printing, if cost-saving and available.

The cost to mail records to a requestor will be based on the following requirements:

• The actual cost to mail public records using a reasonably economical and justified means.
• SOCWA may charge for the least expensive form of postal delivery confirmation.
• No cost will be made for expedited shipping or insurance unless requested.

If the FOIA Coordinator does not respond to a written request in a timely manner, the following shall be required:
• Reduce the labor costs by 5% for each day **SOCWA** exceeds the time permitted under FOIA up to a 50% maximum reduction, if any of the following applies:
  
  ▪ The late response was willful and intentional.
  ▪ The written request, within the first 250 words of the body of a letter facsimile, e-mail or e-mail attachment conveyed a request for information
  ▪ The written request included the words, characters, or abbreviations for “freedom of information”, “information”, “FOIA”, “copy” or a recognizable misspelling of such, or legal code reference to MCL 15. 231 et seq or 1976 Public Act 442 on the front of an envelope or in the subject line of an e-mail, letter or facsimile cover page.

• Fully note the charge reduction in the Detailed Itemization of Costs Form

**Section 6: Waiver of Fees**

The cost of the search for and copying of a public record may be waived or reduced if in the sole judgment of the FOIA Coordinator a waiver or reduced fee is in the public interest because such can be considered as primarily benefitting the general public.

The FOIA Coordinator will waive the first $20.00 of the processing fee for a request if the person requesting a public record submits an affidavit stating that they are:

• Indigent and receiving specific public assistance; or
• If not receiving public assistance stating facts demonstrating an inability to pay because of indigency.

An individual is not eligible to receive the waiver if:
• The requestor has previously received discounted copies of public records from SOCWA twice during the calendar year; or
• The requestor requests information in connection with other persons who are offering or providing payment to make the request.

An affidavit is sworn statement. The FOIA Coordinator may make a Fee Waiver Affidavit Form available for use by the public.

A nonprofit organization designated to by the State to carry out activities under subtitle C of the Developmental Disabilities Assistance and Bill of Rights Act of 200 and the Protection and Advocacy for Individuals with Mental Illness Act, or their successors, if the request meets all of the following requirements:

• Is made directly on behalf of the organization or its clients;
• Is made for a reason wholly consistent with the mission and provisions of those laws under Section 931 of the Mental Health Code, MCL 330.1931;
• Is accompanied by documentation of its designation by the State.

Section 7: Appeal of a Denial of a Public Record

When a requestor believes that all or a portion of a public record has not been disclosed or has been improperly exempted from disclosure, he or she may file an appeal of the denial with the SOCWA Board. The appeal must be in writing, specifically state the word "appeal" and identify the reason or reasons the requestor is seeking a reversal of the denial.

Within 10 business days of receiving the appeal the SOCWA Board will respond in writing by:

3 The FOIA requires that an indigent requestor is entitled to at least two discounted fees in a calendar year; however a public body may permit more than two if it so chooses to do so.

4 If the head of the public body is a board or commission, it is not considered to have received a written appeal of either a denial or a fee amount until its first regularly scheduled meeting following the submission of the appeal. It then has 10 business days to respond to the appeal.
• Reversing the disclosure denial;
• Upholding the disclosure denial; or
• Reverse the disclosure denial in part and uphold the disclosure denial in part.
• Under unusual circumstances, such as the need to examine or review a voluminous amount of separate and distinct public records or the need to collect the requested records from numerous facilities located apart from the office receiving or processing the request, the SOCWA Board may issue not more than 1 notice of extension for not more than 10 business days to respond to the appeal

Pursuant to MCL 15.240(3), the SOCWA Board is not considered to have received a written appeal until the first regularly scheduled meeting of the SOCWA Board following submission of the written appeal. The 10 days shall then run from that date of that first regularly scheduled meeting.

Whether or not a requestor submitted an appeal of a denial to the SOCWA Board, he or she may file a civil action in the Oakland County Circuit Court within 180 days after SOCWA’s final determination to deny the request.

If the court determines that the public record is not exempt from disclosure, the court will award the appellant reasonable attorneys’ fees, cost and disbursements. If the court determines that the appellant prevails only in part, the court in its discretion may award all or an appropriate portion of reasonable attorneys’ fees, costs and disbursements.

If the court determines that SOCWA arbitrarily and capriciously violated the FOIA by refusing or delaying the disclosure of copies of a public record, it shall award the appellant punitive damages in the $1,000. Court shall also order that the public body pay a civil fine of $1000 to the general fund of the State treasury.

Section 8: Appeal of an Excessive FOIA Processing Fee

If a requestor believes that the fee charged by SOCWA to process a FOIA request exceeds the amount permitted by state law, he or she must first submit a written appeal for a fee reduction to the SOCWA Board. The appeal must be in writing, specifically state the word "appeal" and identify how the required fee exceeds the amount permitted.
Within 10 business days after receiving the appeal, SOCWA Board will respond in writing by:

- Waive the fee;
- Reduce the fee and issue a written determination indicating the specific basis that supports the remaining fee, accompanied by a certification by the SOCWA Board that the statements in the determination are accurate and the reduced fee amount complies with these Procedures and Guidelines and Section 4 of the FOIA;
- Uphold the fee and issue a written determination indicating the specific basis under Section 4 of the FOIA that supports the required fee, accompanied by a certification by the SOCWA Board that the statements in the determination are accurate and the fee amount complies with these Procedures and Guidelines and Section 4 of the FOIA; or
- Issue a notice detailing the reason or reasons for extending for not more than 10 business days the period during which the SOCWA Board will respond to the written appeal.

Within 45 days after receiving notice of the SOCWA Board’s determination of a fee appeal, a requestor may commence a civil action in the Oakland County Circuit Court for a fee reduction. If a civil action is filed appealing the fee, SOCWA is not obligated to process the request for the public record until the Court resolves the fee dispute.

If the court determines that SOCWA required a fee that exceeds the amount permitted, it shall reduce the fee to a permissible amount. If the appellant in the civil action prevails by receiving a reduction of 50% or more of the total fee, the court may award all or appropriate amount of reasonable attorneys’ fees, costs and disbursements.

If the court determines that SOCWA has acted arbitrarily and capriciously by charging an excessive fee, the court shall also award the appellant punitive damages in the amount of $500.
Section 9: Conflict with Prior FOIA Policies and Procedures; Effective Date

To the extent that these Procedures and Guidelines conflict with previous FOIA policies promulgated by the SOCWA Board these Procedures and Guidelines are controlling. To the extent that any administrative rule promulgated by the FOIA Coordinator subsequent to the adoption of this resolution is found to be in conflict with any previous policy promulgated by the SOCWA Board, the administrative rule promulgated by the FOIA Coordinator is controlling.

To the extent that any provision of these Procedures and Guidelines or any administrative rule promulgated by the FOIA Coordinator pertaining to the release of public records is found to be in conflict with any State statute, the applicable statute shall control. The FOIA Coordinator is authorized to modify this policy and all previous policies adopted by the SOCWA Board, and to adopt such administrative rules as he or she may deem necessary, to facilitate the legal review and processing of requests for public records made pursuant to Michigan's FOIA statute, provided that such modifications and rules are consistent with State law. The FOIA Coordinator shall inform the SOCWA Board of any change these Policies and Guidelines.

These FOIA Policies and Guidelines become effective July 1, 2015.

Section 10: FOIA Log

The SOCWA FOIA Coordinator shall maintain a FOIA Log for all written FOIA requests which includes the requesting entity, the date of the written FOIA request and the date of all responses to the written FOIA request.

Section 11: Facility For Review Of Public Records

SOCWA, by its FOIA Coordinator, shall provide to the party making a written FOIA request a reasonable facility for making memoranda or abstracts from its public records during normal business hours.
Section 12: Rules To Protect Public Records

In accordance with MCL 15.233(3), SOCWA is allowed to make reasonable rules to protect its public records and to prevent excessive and unreasonable interference with the discharge of SOCWA’s functions. The following rules are deemed reasonable and necessary by SOCWA as of the date of this Policy.

(a) Members of the public shall not be allowed to leave SOCWA’s premises with any original SOCWA public records for any reason.

Requests for copies of tapes will be managed by the FOIA Coordinator and a copy will be provided. A written FOIA request to inspect or listen to any tape will be managed by the FOIA Coordinator by playing the tape under the control of the FOIA Coordinator or a designee. SOCWA does not have equipment to make studio quality tape copies.

(e) Only the SOCWA Manager or a SOCWA designee shall remove minutes from any minute book for inspection and/or copying.

(f) SOCWA’s FOIA Coordinator shall maintain the FOIA Log.

The court is required to consider the budget of the public body and whether the public body has been previously been assisted penalties for violations of the FOIA.

Consent to Non-Statutory Extension of SOCWA Response Time
I have requested a copy of records or a subscription to records or the opportunity to inspect records, pursuant to the Michigan Freedom of Information Act, Public Act 442 of 1976, MCL 15.231, et seq. I understand that SOCWA must respond to this request within five (5) business days after receiving it, and that response may include taking a 10-business day extension. Records Located on Website
If SOCWA directly or indirectly administers or maintains an official internet presence, any public records available to the general public on that internet site at the time the request is made are exempt from any labor charges to redact (separate exempt information from non-exempt information).

If the FOIA coordinator knows or has reason to know that all or a portion of the requested information is available on its website, SOCWA must notify the requestor in its written response that all or a portion of the requested information is available on its website. The written response, to the degree practicable in the specific instance, must include a specific webpage address where the requested information is available. On the detailed cost itemization form, SOCWA must separate the requested public records that are available on its website from those that are not available on the website and must inform the requestor of the additional charge to receive copies of the public records that are available on its website.

If SOCWA has included the website address for a record in its written response to the requestor and the requestor thereafter stipulates that the public record be provided to him or her in a paper format or other form, including digital media, SOCWA must provide the public records in the specified format (if SOCWA has the technological capability) but may use a fringe benefit multiplier greater than the 50%, not to exceed the actual costs of providing the information in the specified format.

Request for Copies/Duplication of Records on SOCWA Website
I hereby stipulate that, even if some or all of the records are located on a SOCWA website, I am requesting that SOCWA make copies of those records on the website and deliver them to me in the format I have requested above. I understand that some FOIA fees may apply.

1. ☐ Labor to copy/duplicate
2. ☐ Labor to locate

2) If not receiving public assistance, stating facts showing inability to pay the cost because of indigence.

If a requestor is ineligible for the discount, the public body shall inform the requestor specifically of the reason for ineligibility in the public body's written response. An individual is ineligible for this fee reduction if ANY of the following apply:
(i) The individual has previously received discounted copies of public records from the same public body twice during that calendar year,

You are entitled under Section 10 of the Michigan Freedom of Information Act, MCL 15.240, to appeal this denial to the SOCWA Board or to commence an action in the Circuit Court to compel disclosure of the requested records if you believe they were wrongfully withheld from disclosure. FREEDOM OF INFORMATION ACT (EXCERPT)
Act 442 of 1976

15.240.amended Options by requesting person; appeal; actions by public body; receipt of written appeal; judicial review; civil action; venue; de novo proceeding; burden of proof; private view of public record; contempt; assignment of action or appeal for hearing, trial, or argument; attorneys' fees, costs, and disbursements; assessment of award; damages.

Sec. 10.
(1) If a public body makes a final determination to deny all or a portion of a request, the requesting person may do 1 of the following at his or her option:

(a) Submit to the head of the public body a written appeal that specifically states the word "appeal" and identifies the reason or reasons for reversal of the denial.

(b) Commence a civil action in the circuit court, or if the decision of a state public body is at issue, the court of claims, to compel the public body's disclosure of the public records within 180 days after a public body's final determination to deny a request.

(2) Within 10 business days after receiving a written appeal pursuant to subsection (1)(a), the head of a public body shall do 1 of the following:

(a) Reverse the disclosure denial.

(b) Issue a written notice to the requesting person upholding the disclosure denial.

(c) Reverse the disclosure denial in part and issue a written notice to the requesting person upholding the disclosure denial in part.

(d) Under unusual circumstances, issue a notice extending for not more than 10 business days the period during which the head of the public body shall respond to the written appeal. The head of a public body shall not issue more than 1 notice of extension for a particular written appeal.

(3) A board or commission that is the head of a public body is not considered to have received a written appeal under subsection (2) until the first regularly scheduled meeting of that board or commission following submission of the written appeal under subsection (1)(a). If the head of the public body fails to respond to a written appeal pursuant to subsection (2), or if the head of the public body upholds all or a portion of the disclosure denial that is the subject of the written appeal, the requesting person may seek judicial review of the nondisclosure by commencing a civil action under subsection (1)(b).

(4) In an action commenced under subsection (1)(b), a court that determines a public record is not exempt from disclosure shall order the public body to cease withholding or to produce all or a portion of a public record wrongfully withheld, regardless of the location of the public record. Venue for an action against a local public body is proper in the circuit court for the county in which the public record or an office of the public body is located has venue over the action. The court shall determine the matter de novo and the burden is on the public body to sustain its denial. The court, on its own motion, may view the public record in controversy in private before reaching a decision. Failure to comply with an order of the court may be punished as contempt of court.

(5) An action commenced under this section and an appeal from an action commenced under this section shall be assigned for hearing and trial or for argument at the earliest practicable date and expedited in every way.

(6) If a person asserting the right to inspect, copy, or receive a copy of all or a portion of a public record prevails in an action commenced under this section, the court shall award reasonable attorneys' fees, costs, and disbursements. If the person or public body prevails in part, the court may, in its discretion, award all or an appropriate portion of reasonable attorneys' fees, costs, and disbursements. The award shall be assessed against the public body liable for damages under subsection (7).

(7) If the court determines in an action commenced under this section that the public body has arbitrarily and capriciously violated this act by refusal or delay in disclosing or providing copies of a public record, the court shall order the public body to pay a civil fine of $1,000.00, which shall be deposited into the general fund of the state treasury. The court shall award, in addition to any actual or compensatory damages, punitive damages in the amount of $1,000.00 to the person seeking the right to inspect or receive a copy of a public record. The damages shall not be assessed against an individual, but shall be assessed against the next succeeding public body that is not an individual and that kept or maintained the public record as part of its public function.

The head of a public body shall not issue more than 1 notice of extension for a particular written appeal.

(3) A board or commission that is the head of a public body is not considered to have received a writed appeal under subsection (2) until the first regularly scheduled meeting of that board or commission following submission of the written appeal under subsection (1)(a).

(4) In an action commenced under subsection (1)(b), a court that determines the public body required a fee that exceeds the amount permitted under its publicly available procedures and guidelines or section 4 shall reduce the fee to a permissible amount. Venue for an action against a local public body is proper in the circuit court for the county in which the public record or an office of the public body is located. The court shall determine the matter de novo, and the burden is on the public body to establish that the required fee complies with its publicly available procedures and guidelines and section 4. Failure to comply with an order of the court may be punished as contempt of court.

(5) An action commenced under this section and an appeal from an action commenced under this section shall be assigned for hearing and trial or for argument at the earliest practicable date and expedited in every way.

(6) If the requesting person prevails in an action commenced under this section by receiving a reduction of 50% or more of the total fee, the court may, in its discretion, award all or an appropriate portion of reasonable attorneys’ fees, costs, and disbursements. The award shall be assessed against the public body liable for damages under subsection (7).

(7) If the court determines in an action commenced under this section that the public body has arbitrarily and capriciously violated this act by charging an excessive fee, the court shall order the public body to pay a civil fine of $500.00, which shall be deposited in the general fund of the state treasury. The court may also award, in addition to any actual or compensatory damages, punitive damages in the amount of $500.00 to the person seeking the fee reduction. The fine and any damages shall not be assessed against an individual, but shall be assessed against the next succeeding public body that is not an individual and that kept or maintained the public record as part of its public function.

(8) As used in this section, “fee” means the total fee or any component of the total fee calculated under section 4, including any deposit.

# Freedom of Information Act Request Detailed Cost Itemization

The following costs are being charged in compliance with Section 4 of the Michigan Freedom of Information Act, MCL 15.234, according to SOCWA’s FOIA Policies and Guidelines.

## 1. Labor Cost for Copying / Duplication

This is the cost of labor directly associated with duplication of publication, including making paper copies, making digital copies, or transferring digital public records to be given to the requestor on non-paper physical media or through the Internet or other electronic means as stipulated by the requestor.

This shall not be more than the hourly wage of SOCWA’s lowest-paid employee capable of necessary duplication or publication in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in __-minute time increments as set by the SOCWA Board (for example: 15-minutes or more); all partial time increments must be rounded down. If the number of minutes is less than one increment, there is no charge.

### Hourly Wage Charged: $________

**OR**

### Hourly Wage with Fringe Benefit Cost: $________

Multiply the hourly wage by the percentage multiplier: _____%

(up to 50% of the hourly wage) and add to the hourly wage for a total per hour rate.

**Charge per increment: $________**

☐ Overtime rate charged as stipulated by Requestor (overtime is not used to calculate the fringe benefit cost)

To figure the number of increments, take the number of minutes: _____, divide by _____-minute increments, and round down. Enter below:

## 2. Labor Cost to Locate:

This is the cost of labor directly associated with the necessary searching for, locating, and examining public records in conjunction with receiving and fulfilling a granted written request. This fee is being charged because failure to do so will result in unreasonably high costs to SOCWA that are excessive and beyond the normal or usual amount for those services compared to SOCWA’s usual FOIA requests, because of the nature of the request in this particular instance, specifically:

SOCWA will not charge more than the hourly wage of its lowest-paid employee capable of searching for, locating, and examining the public records in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in _____-minute time increments (must be 15-minutes or more); all partial time increments must be rounded down. If the number of minutes is less than 15, there is no charge.

### 3a. Employee Labor Cost for Separating Exempt from Non-Exempt (Redacting):

*(Fill this out if using a SOCWA employee. If contracted, use No. 3b instead.)*

SOCWA will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.

This fee is being charged because failure to do so will result in unreasonably high costs to SOCWA that are excessive and beyond the normal or usual amount for those services compared to SOCWA’s usual FOIA requests, because of the nature of the request in this particular instance, specifically:

This is the cost of labor of a SOCWA employee, including necessary review, directly associated with separating and deleting exempt from nonexempt information. This shall not be more than the hourly wage of the SOCWA'S lowest-paid employee capable of separating and deleting exempt from nonexempt information in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in ____-minute time increments *(must be 15-minutes or more)*; all partial time increments must be rounded down. *If the number of minutes is less than 15, there is no charge.*

### 3b. Contracted Labor Cost for Separating Exempt from Non-Exempt (Redacting):

*(Fill this out if using a contractor, such as the attorney. If using in-house employee, use No. 3a instead.)*

SOCWA will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.

This fee is being charged because failure to do so will result in unreasonably high costs to SOCWA that are excessive and beyond the normal or usual amount for those services compared to SOCWA’s usual FOIA requests, because of the nature of the request in this particular instance, specifically:

As SOCWA does not employ a person capable of separating exempt from non-exempt information in this particular instance, as determined by the FOIA Coordinator, this is the cost of labor of a contractor *(i.e.: outside attorney)*, including necessary review, directly associated with separating and deleting exempt information from nonexempt information. This shall not exceed an amount equal to 6 times the state minimum hourly wage rate of _____ *(currently $8.15)*.

**Name of contracted person or firm:** ____________________________

These costs will be estimated and charged in ____-minute time increments *(must be 15-minutes or more)*; all partial time increments must be rounded down. *If the number of minutes is less than 15, there is no charge.*

SOCWA must utilize the most economical means available for making copies of public records, including using double-sided printing, if cost saving and available.

#### Estimated Time Frame to Provide Records:

_________________________ (days or date)

The time frame estimate is nonbinding upon SOCWA, but SOCWA is providing the estimate in good faith. Providing an estimated time frame does not relieve SOCWA from any of the other requirements of this act.

#### Waiver: Public Interest

A search for a public record may be conducted or copies of public records may be furnished without charge or at a reduced charge if SOCWA determines that a waiver or reduction of the fee is in the public interest because searching for or furnishing copies of the public record can be considered as primarily benefiting the general public.

- All fees are waived OR
- All fees are reduced by: ________%

#### Subtotal Fees After Waiver:

$_________

#### Discount: Indigence

A public record search must be made and a copy of a public record must be furnished without charge for the first $20.00 of the fee for each request by an individual who is entitled to information under this act and who:

1) Submits an affidavit stating that the individual is indigent and receiving specific public assistance, OR

2) If not receiving public assistance, stating facts showing inability to pay the cost because of indigence.

If a requestor is ineligible for the discount, the public body shall inform the requestor specifically of the reason for ineligibility in the public body’s written response. An individual is ineligible for this fee reduction if ANY of the following apply:

(i) The individual has previously received discounted copies of public records from the same public body twice during that calendar year, OR

(ii) The individual requests the information in conjunction with outside parties who are offering or providing payment or other remuneration to the individual to make the request. A public body may require a statement by the requestor in the affidavit that the request is not being made in conjunction with outside parties in exchange for payment or other remuneration.

- Eligible for Indigence Discount

#### Subtotal Fees After Discount (subtract $20):

$_________

#### Discount: Nonprofit Organization

A public record search must be made and a copy of a public record must be furnished without charge for the first $20.00 of the fee for each request by a nonprofit organization formally designated by the state to carry out activities under subtitle C of the federal Developmental Disabilities Assistance and Bill of Rights Act of 2000 and the federal Protection and Advocacy for Individuals with Mental Illness Act, if the request meets ALL of the following requirements:

(i) Is made directly on behalf of the organization or its clients.

(iii) Is accompanied by documentation of its designation by the state, if requested by SOCWA.

- Eligible for Nonprofit Discount

#### Subtotal Fees After Discount (subtract $20):

$_________
Deposit: Good Faith
SOCWA may require a good-faith deposit before providing the public records to the requestor if the entire fee estimate or charge authorized under this section exceeds $50.00, based on a good-faith calculation of the total fee. The deposit cannot exceed 1/2 of the total estimated fee. Percent of Deposit: _______%

Deposit: Increased Deposit Due to Previous FOIA Fees Not Paid In Full
After SOCWA has granted and fulfilled a written request from an individual under this act, if SOCWA has not been paid in full the total amount of fees for the copies of public records that SOCWA made available to the individual as a result of that written request, **SOCWA may require an increased estimated fee deposit of up to 100% of the estimated fee before it begins a full public record search for any subsequent written request from that individual if ALL of the following apply:**

(a) The final fee for the prior written request was not more than 105% of the estimated fee.
(b) The public records made available contained the information being sought in the prior written request and are still in SOCWA’s possession.
(c) The public records were made available to the individual, subject to payment, within the best effort estimated time frame given for the previous request.
(d) Ninety (90) days have passed since SOCWA notified the individual in writing that the public records were available for pickup or mailing.
(e) The individual is unable to show proof of prior payment to SOCWA.
(f) SOCWA calculates a detailed itemization, as required under MCL 15.234, that is the basis for the current written request's increased estimated fee deposit.

**SOCWA can no longer require an increased estimated fee deposit from an individual if ANY of the following apply:**

(a) The individual is able to show proof of prior payment in full to SOCWA, OR
(b) SOCWA is subsequently paid in full for the applicable prior written request, OR
(c) Three hundred sixty-five (365) days have passed since the individual made the written request for which full payment was not remitted to SOCWA.

Late Response Labor Costs Reduction
If SOCWA does not respond to a written request in a timely manner as required under MCL 15.235(2), SOCWA must do the following:

(a) Reduce the charges for labor costs otherwise permitted by 5% for each day SOCWA exceeds the time permitted for a response to the request, with a maximum 50% reduction, if EITHER of the following applies:

(i) The late response was willful and intentional, OR

(ii) The written request included language that conveyed a request for information within the first 250 words of the body of a letter, facsimile, electronic mail, or electronic mail attachment, or specifically included the words, characters, or abbreviations for "freedom of information," "information," "FOIA," "copy," or a recognizable misspelling of such, or appropriate legal code reference for this act, on the front of an envelope, or in the subject line of an electronic mail, letter, or facsimile cover page.
